# MANUFACTURING EXCELLENCE OR “WORLD CLASS” MANUFACTURING

Manufacturing Excellence or “World Class” Manufacturing means, production and

distribution of products and services :

- Ensuring total **safety conditions**.(People, Equipment, Environment)
- At world class **quality standards**,
- At **competitive cost** ,
- In a **sustainable** way
- Within integrity and transparency and by creating prosperity against all the stakeholders.(share-holders, customers, suppliers, employees, governmental authorities and wider community)

# INDUSTRIAL/ MANUFACTURING EXCELLENCE PYRAMIDE
